HP PSC 2355 Scanner Lid Replacement

This guide demonstrates how to replace the scanner lid, which is the plastic lid that covers the scanner glass.

Written By: Amber Gabaldon

INTRODUCTION

If your scanner lid is damaged, replacing it is very simple and you don't need any tools!

Step 1 — Scanner Lid

- Grasp the scanner lid cover from the front of the device and lift lid all the way up until it stands on its own.

Step 2

- With two hands, grasp the lid on both sides near the hinges and lift straight up to release the lid from each hinge.

To reassemble your device, follow these instructions in reverse order.
